RUTA DELS LLACS AL PALLARS JUSSÀ

ITINERARY TO DO ON FOOT OR BY BTT BETWEEN LA POBLA DE SEGUR AND THE TERRADETS DEFILE

The Route of the Lakes continues to Lleida, with a central section with a very steep terrain between the stations of Sant Llorenç de Montgai and Cellers-Llimiana, which must be travelled by train.

THE ROUTE OF THE LAKES GOES THROUGH A GREAT DIVERSITY OF LANDSCAPES. ITS MAIN SECTORS ARE:

1. LA POBLA DE SEGUR - SANT ANTONI DAM. 11,8 KM

The path follows the right bank of the Sant Antoni Reservoir, starting in the Poble de Segur FGC station. It has some sections next to the water and some others on the shoulder of the C-13 highway. Gentle slope.

2. SANT ANTONI DAM - TALARN. 1,5 KM

Section of route with the greatest slope. Some steep ramps.

3. TALARN - PALAU DE NOGUERA. 4,3 KM

The path follows the right bank of the Noguera Pallaresa River in an area with a great biodiversity of fauna and flora. Gentle slope.

4. PALAU DE NOGUERA - L'ESPONA. 4,3 KM

Fresh and flat section that follows the bank of an irrigation canal on the right side of the fluvial area, a place with lush nature.

5. L'ESPONA - TERRADETS RESERVOIR. 5,1 KM

Country road next to the Lleida-La Poble de Segur railway lane.

6. RIGHT BANK OF THE TERRADETS RESERVOIR. 5,0 KM

Section of the route between the C-13 road and the Terradets Dam. It crosses the reservoir through the Monares bridge and leads to the Roures de Llimiana beach, an ideal place to refresh and rest with views to the watershed and the Pyrenees.

YOU CAN ALSO ACCESS THE ROUTE OF THE LAKES BY VEHICLE, PARKING IN THE FOLLOWING SPOTS:

3. THE PIOLET BEACH (Salàs de Pallars)
